GO STUDY EUROPE MOODLE WITH DEE PROJECT

DEE
Digital Education Ecosystem

A. Table of Contents

There are two methods of user registration and login in DEE system which are described as follows:
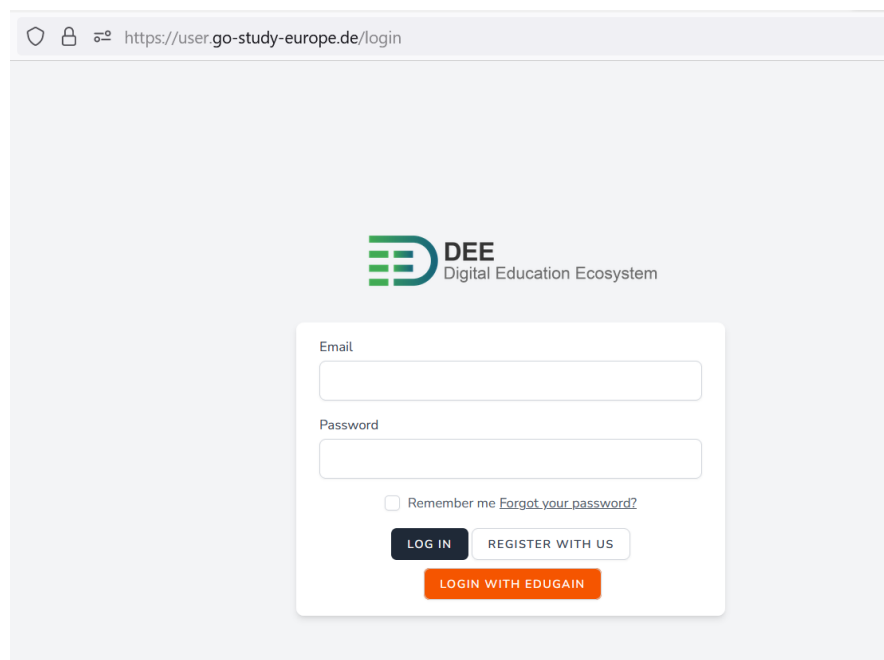

A. Registration & Login with DEE User Service
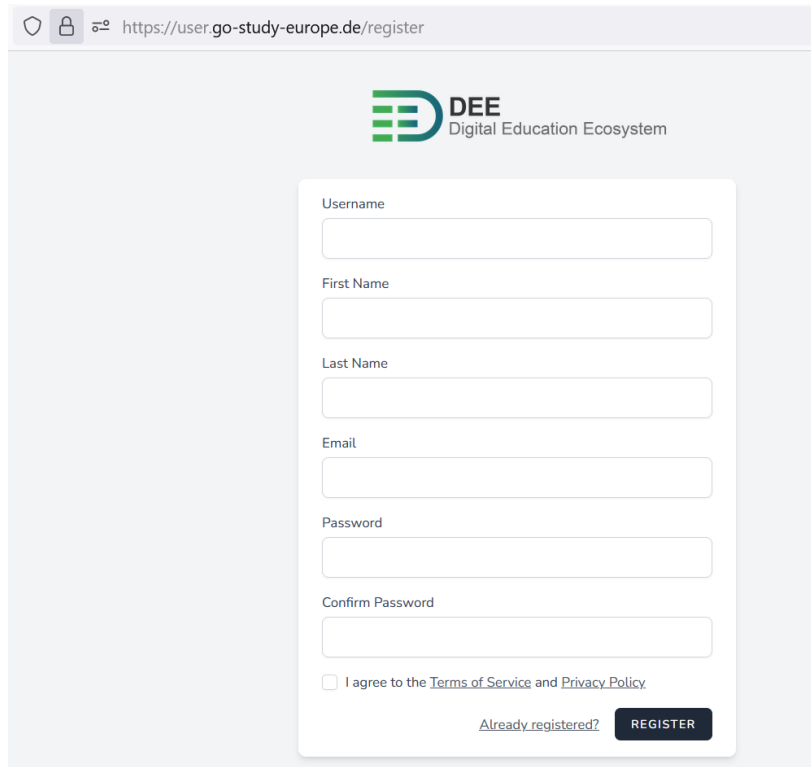

1. Go to https://moodle.go-study-europe.de and click on "login with DEE"

2. If you have an account with user service already, provide your username and password and click "Login". If you don't have an account, click on "Register With Us" to continue (explained in next step).

3. Register yourself by filling the form if you don't have an account with user service
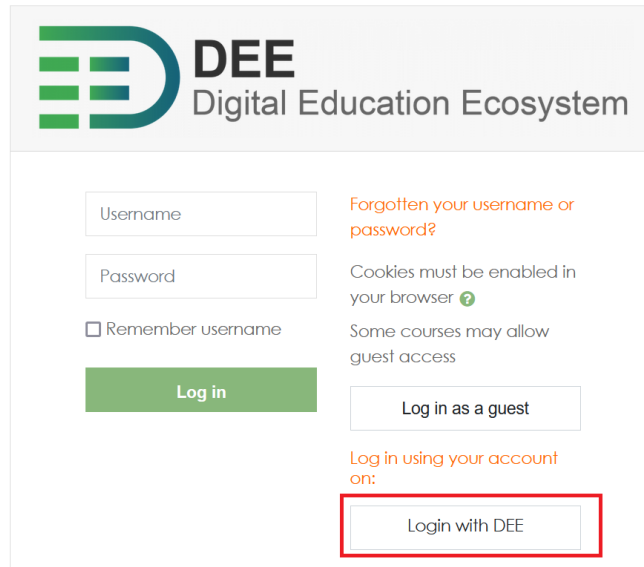

4. Once you have registered, you would receive email for account verification, please verify your email address.

5. Go to https://moodle.go-study-europe.de and click on "Login with DEE" again
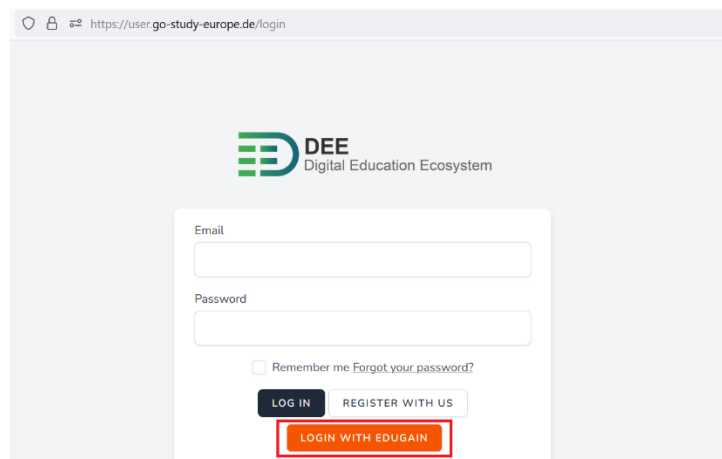

B. Login with eduGAIN (if applicable)

1. Go to https://moodle.go-study-europe.de and click on "Login with DEE"

2. In the next page, click on "Login with eduGAIN"

3. In the next page, choose your university (e.g., Fachhochschule Dortmund) and click on "select"

DEE
Digital Education Ecosystem

A Digital Education Ecosystem (DEE) is a digital learning and teaching infrastructure which supports all aspects of a digitally transformed educational system, e.g. a university or school The goal of the DEE described in ths specification is to support a virtual, cross-border Master School.
